

DRAGONS ABREAST - Launceston, Tasmania

We have been paddling since February 2008 and are based at the North Esk Rowing Club opposite the Seaport. We enjoy all the facilities at the club, including excellent gym equipment and a restaurant and bar. From this situation we can easily access the Cataract Gorge, the upper reaches of the Tamar River and the lower reaches of the North Esk River. We are also able to launch the 'Tamar Tittilator' from various ramps along the Tamar, especially at GeorgTown, Hillwood and Gravelly Beach, where we receive terrific support from the locals

The club is named 'DANTI' (Dragons Abreast Northern Tas Inc.) We hold meetings at the rowing club on the second Tuesday of each month, after paddling. Meetings are open to all members.

Our calendar of events includes regular Tuesday evening training with 5:30 and 6pm starts (when light permits) and paddling each weekend from our club at 8:30am or at an event elsewhere. We make regular appearances at the Duck Race, the GeorgeTown and Hillwood festivals. The Christmas Parade, regattas and paddling with our sister clubs.

New members are always welcome.

Paddling: *Tues* 5:30 and 6pm; *Sat or Sun* 8:30am
